WELCOME TO REDSPOTTEDHANKY.COM

redspottedhanky.com is an online travel retailer designed to help businesses (and leisure travellers) across the UK save time, hassle and money with their train ticket requirements.

Part of Atos Worldline UK Limited – a leading international IT services company – we are committed to helping businesses reduce their train travel spend as well as improving the management, monitoring and reporting of their train travel costs.

Moreover, we are endeavouring to make the whole purchasing process for business travellers easier.

THE BOTTOM LINE

In today's uncertain climate, it's your bottom line that really counts. Savings (by booking in advance with us) will be both significant and welcome.

We also believe that the implementation of our business account enables you to control, monitor and manage your train travel needs more effectively.

MANAGING YOUR TRAIN TRAVEL MORE EFFECTIVELY

redspottedhanky.com is an intuitive self service booking system that enables you to manage your train travel spend from individual users all the way up to business administrators.

The system provides a full monitoring and reporting capability that allows you to customise your account in respect to access rights, spend limits and any specific travel policies you wish to introduce.

A redspottedhanky.com credit account can entitle you to up to 42 days free credit.

COLLECTING YOUR TICKETS

There are various ticket collection/delivery methods available to best suit your business requirements:

- Collect the ticket with any credit/debit card along with the order confirmation number
- Self Service Ticket Machines at stations
- Free collection from over 900 ticket machines at stations nationwide
- Royal Mail First Class post when booked at least 6 days prior to travel

ACCOUNT MANAGEMENT

Our business account is cost free with an account manager ready to help get you going and no set-up investment required. An account manager will also be available for you to discuss your account's performance and explore any future cost saving initiatives.

KEEPING YOU UP-TO-DATE

We are resolutely committed to providing you with the best value train fares online. Our Lowest Fare Finder ensures it – look out for it on the search results page.

Importantly, we will also benchmark our performance against market standards to ensure you continue to receive the best deals on your train travel needs.

Money saving tips and any new developments in the pipeline will be communicated to you via our business engagement programme.

Contact us today for further information or to set up your business account and start saving. redspottedhanky@atos.net
